Report of Principal and School Improvement Council

Improving instruction and student learning continues to be the focus of Saint George Middle School. We are working for increased achievement through an instructional vision based on five concepts. Rigor, collaboration, student engagement, standards based instruction, and data driven decision making make up these concepts. Teachers and administrators have analyzed data and have identified specific areas on instructional need. Research based strategies and methods have been implemented to address these needs.

We at Saint George Middle School have completed our second year as a South Carolina Solutions in Science, Technology, Engineering and Mathematics(S²TEM) Education Research site. Being a S²TEM site has given us wonderful access to ongoing professional development for our Science and Math teachers. This professional development has been extremely helpful with our preparation for our transition to Common Core Standards.

We are also entering our second year as being a Teacher Advancement Program (TAP) site. Our faculty and staff are very excited about the Teacher Advancement Program and what it will mean for our school. Our Leadership Team is anticipating another year of growth and progress in the TAP system. We are particularly excited about field testing implementation.

Our Science teachers are proudly providing our students with the opportunity to enroll in Robotic/Automation and Design/Modeling as part of the Gateway To Technology (GTT) initiative. This implementation is being supported by a three year grant from the Boeing Company. Through the University of South Carolina College of Engineering and Computing, our Science teachers have received extensive training in the GTT areas. Next year we will be expanding our offerings to include Flight/Space Technology (2015-2016).

Providing quality after-school activities is also a key to improving academics and student achievement. Saint George Middle School has been fortunate to be the recipient of a 21st Century Grant that funds our program. The main goal of the program is to provide a safe, nurturing environment for our students outside of traditional school hours. Our after-school activities are based on four components; academics, character education, extracurricular activities and parental involvement.

Jenelle Howard, School Improvement Council Chairperson

ESEA/Federal Accountability Rating System

In July 2013, the South Carolina Department of Education was granted a waiver from several accountability requirements of the Federal Elementary and Secondary Education Act (ESEA). This waiver allowed SC to replace the former pass/fail system with one that utilizes more of the statewide assessments already in place and combine these subject area results with graduation rate (in high schools) to determine if each school met the target or made progress toward the target. This analysis results in a letter grade for the school rather than the pass/fail system of previous years. For a detailed review of the matrix for each school and districts that determined the letter grade, please use the following link: <http://ed.sc.gov/data/esea/> or request this information from your child's district or school.

Overall Weighted Points Total	77.9
Overall Grade Conversion	C

Index Score	Grade	Description
90-100	A	Performance substantially exceeds the state's expectations.
80-89.9	B	Performance exceeds the state's expectations.
70-79.9	C	Performance meets the state's expectations.
60-69.9	D	Performance does not meet the state's expectations.
Less than 60	F	Performance is substantially below the states' expectations.

Accountability Indicator (Title I Schools)

St. George Middle has been designated as a:

	Title I Reward School for Performance - among the highest performing Title I schools in a given year.
	Title I Reward School for Progress - one of the schools with substantial progress in school subgroups.
	Title I Focus School - one of the schools with the highest average performance gap between subgroups.
	Title I Priority School - one of the 5% lowest performing Title I schools.
X	Title I School - does not qualify as Reward, Focus or Priority School.
	Non-Title I School - therefore the designations above are not applicable.
